## BabyAuric Reward for Referral Program

**At BabyAuric, we make great efforts to provide a friendly, efficient and responsive service. We also appreciate that sustaining our business relies in large part on our clients' sharing their positive experience with other parents and parents-to-be.**

**In order to thank you for passing on a good word about us and our service, below are the details of our Reward for Referral Program.**

**One (1) Successful Referral = One (1) Week of Service at No Charge**

**A Successful Referral is a new customer, referred directly by an existing customer, who actively uses BabyAuric Diaper Service for a minimum of 12 weeks.**

**There are no limits on the number of referrals one can make, so go ahead and earn all the free weeks you can...**

**Many thanks,**

**The BabyAuric Team**
